**Do you have a place in your heart and home to make a difference to a child's life?**

At the moment, there aren't enough foster carers to care for children in need across New South Wales. Put simply, we need more carers for all types of care.

**There is a type of care to suit your family:**

- **Emergency care:** A temporary haven for kids when first need a safe place to stay.
- **Respite care:** Respite carers look after children on an occasional basis to give their regular carers a break.
- **Short-term care:** Short-term carers look after children while their families work to bring them home.
- **Adoptive parents and guardians:** When kids can't return home, adoption or guardianship provides them with the safety and stability they need to thrive.

**A special community awaits you.**

The My Forever Family NSW program provides ongoing support, advice and training for all foster carers, guardians and adoptive parents.
